

LONG SHADOWS  
DISTINGUISHED WINERIES & VINEYARDS

## Overview

Long Shadows Vintners is a collection of seven ultra-premium Washington wines made at a state-of-the-art winery in Walla Walla to showcase the viticultural excellence of the Columbia Valley growing region and to honor the internationally acclaimed winemakers who inspired them. Founded in 2003 by Washington State wine visionary Allen Shoup, the Long Shadows proposition was as simple as it was complex: recruit a cadre of the finest winemakers in the world; give each vintner access to Washington State's best grapes; and outfit a winery to accommodate a diverse group of winemakers' exacting cellar specifications. The idea quickly sold itself, and from the beginning, the wines have enjoyed critical acclaim that has continued to grow vintage after vintage with the style of each wine firmly in place.
