## 2012 FEATHER Cabernet Sauvignon

“Up there with the Pedestal release in terms of quality, the 2012 Cabernet Sauvignon Feather is made by Randy Dunn of Dunn Vineyards in Napa Valley. It’s always a 100% Cabernet and in 2012, offers sensational notes of sweet black cherry and cassis fruit, tobacco leaf, graphite and lead pencil shavings. Deep, concentration, rich and tannic, it needs 4-5 years of cellaring, but will evolve nicely through 2032.”
