2015 SEQUEL SYRAH

The 2015 Syrah Sequel unfurls in the glass with notes of sweet cassis and black fruit that mingle with notions of rich grilled meats and toasty oak. On the palate, it's full-bodied, deep and powerful, with a sweet core of fruit and a chewy chassis of fine-grained tannins.

JEB DUNNUCK

"Its inky purple color is followed by a huge nose of blackberry liqueur, espresso roast, scorched earth, and dark chocolate. A full-bodied, beautiful Syrah that has remarkable freshness and purity, fine tannin, and a great, great finish. It's always a pedal-to-the-metal effort, yet the 2015 stays beautifully fresh and lively on the palate. This is certainly one of the finest vintages to date."
