

2017 DANCE CHARDONNAY

Introducing the newest addition to the Long Shadows line-up. This unique and wonderfully complex Chardonnay was fermented and aged using proprietary techniques with a combination of concrete eggs and French oak barrels for seventeen months.

The result is a rich, yet refined, Chardonnay with a beautiful viscosity that carries the mid-palate while the acidity persists across a lengthy finish.

Tasting Notes: Great balance between vibrant fruit and minerality with flavors and aromas of white peach, apricot and baked apples.
