2017 SEQUEL SYRAH

JAMESSUCKLING.COM

"Aromas of blackberries, blueberries and violets with cloves and black pepper. Spiced chocolate. Full body, chewy tannins and a long, flavorful finish. A big wine, but I love the form, structure and intensity."

"Precision, power and finesse with juicy blackberry reduction and black pepper spices woven into black cherry essence and plum preserves, with hints of dried herbs, baked earth and river rock. This is food-friendly and overdelivering at this price. Bravo!"

JEB DUNNUCK

"A sexy wine. Rocking notes of black currants, blackberries, peppered game, licorice, and subtle chocolate all flow to a powerful, full-bodied Syrah that has good purity of fruit, ripe, chewy tannins, a big mid-palate, and great finish."
