2017 FEATHER

JEB DUNNUCK

I always love this wine, and the 2017 Feather is no exception. Made from 100% Cabernet Sauvignon and brought up in 88% new French oak, it has loads of black fruits, dark chocolate, graphite, and charcoal aromatics as well as a full-bodied, concentrated, backward style on the palate. It's terrific, but don't open bottles for at least another 3-4 years.” **95+ POINTS**
