

Julia's DAZZLE

ROSE
2019

WASHINGTON WINE BLOG

“Made from Pinot Gris grapes, the 2019 ‘Julia’s Dazzle’ Rosé follows a very strong line of releases from this famed Washington winery. The bouquet is extraordinary, showing kumquat zest and red cherry candy tones that collide with shades of wild mushroom, cran-pomegranate and pink grapefruit blossom that all take shape in the glass. The combination of freshness, texture and tension is absolutely outstanding, as the silky mouthfeel adds to the enjoyment. Bright pear and cran-orange flavors mingle with guava and copious minerals on the palate. The long finish lingers. This is best enjoyed in its youth, while the wonderful core of brightness remains intact.”
