

Julia's DAZZLE

ROSE
2020

"100% Pinot Gris sourced from the the Yakima Valley that was whole cluster pressed. Right away this shows peach and orange rind tones alongside wet stone, strawberry and shades of wild mushroom on the nose. The palate is beautifully textured with a great sense of weight and finesse. Kiwi and Mandarin orange rind flavors collide with minerals, wet stone and guava tones all artfully combine on the palate. Fresh and lithe, this has some nice medium-term cellaring potential."

91 POINTS

"This is hugely floral with attractive aromas of papaya, cherry blossom and cotton candy. The palate brings in white peach and kiwi with a delightful presentation of pink strawberry acidity. It finishes with a nibble of peach skin, making for a rather fun rosé yet plenty serious for food."

"Outstanding!"
